**KE ALAULA**

There is a new dawn that Aloha Ke Akua is re-awakening over Hawai‘i. It is ancient, but it is always new. It is the way of Aloha. It is the “new” command of Jesus, “Aloha One Another” (John 13:34). It is so powerful that it transforms our lives, our communities, and our Hawai‘i. It is so lasting that it affects our Keiki for generations to come. It is so renewing that it puts us in the inheritance of blessing of those who have gone before us. It is so pervasive that it is for the whole World. Come, experience with us this new dawn.

“God’s Aloha Has A Home. . . Us!”
SATURDAY, 9:00 AM

God’s Aloha does not happen automatically. God chooses people to be the home for His Aloha. Jesus called it His “church”, the EKKLESIA, and it is the most powerful force on earth. The Ekklesia has witnessed this transformation firsthand for individuals, cities, and nations. We are to be Jesus’ Ekklesia, His Home.

“Hawaii’s Call: Aloha for the World”
DR. ED & RUTH SILVOSO

Their books have impacted leaders, scholars, and families around the world. They also have a deep aloha for the people of Hawai’i. Like Aunty Pilahi Paki, they see the special God given role upon Hawai’i for the world. This closing session is going to be a breakthrough for many of us to be and to share God’s Aloha with the World.

CHILDREN’S TRACK (AGES 8-12)

PASTOR CHARIS’ VISION FOR THE CHILDREN’S TRACK AGES 8-12:

What I feel that the Lord wants to do in the older Children’s Track is that each student will learn more about how to hear the Holy Spirit and then share His love with the world around them. I really see this Children’s track like a conference for kids, full of fun, games, interactive activities with the Lord (including prophetic art), and lifelong friendships. My desire is for our kids to learn how to be free, stay free, and set others free in the power of the Holy Spirit!

Blessings, Charis

While in the desert at an underground rave party, Jesse had an encounter with Jesus where Jesse was asked to leave the rave scene but that he was to return at a later time for the lost and the party people. In the following years after the vision, Jesse was ordained as a Minister at the age of twenty-two. While in pastoral training, Jesse was given the vision of International Agape Movement. God gave him a vision of transforming the lives of millions. He was to teach, preach and host traveling dance parties for God all over the world. He is a Prophetic DJ that preaches, prays and prophesies while on the turntables. The vision of the International Agape Movement is to host these types of events serving fruit juices, water, healthy food, Holy Spirit Prayer tents & worship dance music.
